

COVID-19 SCREENING KIOSKS

at the North Dakota State Capitol

The North Dakota State Capitol entrances are now equipped with COVID-19 screening kiosks. All individuals entering the facility will be required to complete the screening via a kiosk daily when they first enter the facility. There are seven kiosks located at the following entrances (see orange dots on map above):

- 2 at the south entrance
- 2 at the west/Legislative Wing entrance
- 1 at the north entrance
- 1 at the J-wing entrance
- 1 at the mail room entrance

HOW DO THE SCREENING KIOSKS WORK?

1. Hold out your wrist 1 inch from the temperature scanner that is located on the right side of the kiosk tablet.
 - If your temperature is under 100.4 degrees F, you will be asked the screening questions.
 - If your temperature is above 100.4 degrees F, the kiosk will let you know that you did not pass screening.
2. Answer the screening questions on the kiosk when prompted, or scan the QR code below on your mobile device.
 - If you answer yes to any of the questions, there may be additional questions and the kiosk may let you know that you did not pass the screening.
 - If you answer no to all of the questions, the kiosk will let you know that you may proceed into the building.

COVID-19 SCREENING QUESTIONS

- In the past 10 days have you had new onset of symptoms consistent with viral illness such as fever, chills, cough, shortness of breath or difficulty breathing, muscle or body aches, sore throat, or new loss of taste or smell?
- Have you tested positive for COVID-19 within the last 10 days?
- Have you been identified as a close contact to someone with COVID-19 or had contact with someone with COVID-19 within the last 14 days?

IF YOU DO NOT PASS SCREENING

- **Public:** Exit the building.
- **State Team Members:** Exit and contact your HR or supervisor.
- **Legislative Assembly:** Exit and report it to your member's party leader or designee.
