* The General Fund cap for oil and gas taxes contains two tiers. The first tier of \$200.0 million was reached in November 2019. Additional oil taxes were allocated to the Tax Relief Fund until that fund received \$200.0 million, and then to the Budget Stabilization Fund until that fund reached its max fund balance of \$726.5 million. In March, the General Fund began receiving allocations to meet its second tier of \$200.0 million.
